

Submitter: Clint Harris  
On Behalf Of: Pine Street Bakery  
Committee: Joint Committee On Transportation Reinvestment  
Measure, Appointment or Topic: HB2025

Please facilitate the jurisdictional transfer of part of OR-281 to the City of Hood River, which will further accommodate long overdue improvements to a dangerous and under-maintained major thoroughfare in the heights of Hood River. Great Streets funding can move us along swiftly in a decades long plan to improve safety for schoolchildren, improve access to businesses, diminish motorized traffic conflicts, and reduce costs for ODOT.
