Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is Virgil Tilden from McMinnville, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. This bill punishes working families and retirees just trying to get by. I am on Social Security, and already pretty much a shut in due to living and transportation costs. Much more and I will be homeless!! Enough is enough.
