

Submitter: Van Roosa

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Oregonians cannot afford any increases in taxes. The government needs to live within its budget just like the tax payers have to. If government gets out of the way of business then revenue will rise as everyone does better financially. People can't afford housing now how will raising property taxes make housing more affordable? The government needs to spend less of the money tax payers' money, not raise rates.
