Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Please vote no on HB 2025, the State of Oregon needs to live within its budget, the continual increase of fees and taxes needs to stop, the proposed tax and fee increase in the bill are excessive, our gas tax and motor vehicle fees are all ready among the highest in the nation. Enough is enough. Oregon's continual Hugh budget increases year after year have to be brought under control. The average Oregonian can not afford the continual excessive tax and fee increases
