

Submitter: Teresa Harris

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Oregonians cannot afford any more taxes. You Dems have a spending problem and no common sense when it comes to spending tax money. You wanted to ban gas operated cars, make everyone use electric cars, even though the electric grid can't handle it. Now you're not getting enough money out of people driving electric cars, now you want to raise taxes on everyone to pay for your boondoggle for roads. You are forcing working people out of this state!
