

Submitter: Claudia Curt

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I am a senior living on a fixed income. It's time ODOT manages the money they already get, just like Oregonians must balance their personal finances. We can't take any more taxes or increased fees. The way this bill is being ramrodded is shameful. Listen to the voices of your constituents. We can't afford it!
