

Submitter: David Hill

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Odot has lost Billions of taxpayer money just gone can't be found and we the taxpayers are at a breaking point majority of oregonians are against this and this will be a slush fund to fund unconditional laws the oregon government has violated minimum of 7 articles of the Oregon constitution already from people rights to self defense we are broke now because of fraudulent spending and waste we can't afford to pay our bills this will hurt minorities and the poor the hardest year dems say the help help but these laws prove ya use them as pawns to suit your needs
