

Submitter: Sherron Albion

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

This bill is absolutely ridiculous and not in the best interest of Oregonians, the people you represent. Government has not been good stewards of our money and this bill further proves that. Oregonians cannot afford this. I am appalled that anyone, republican or democrat, could possibly think that this bill is in the best interest of Oregonians.
