We are absolutely taxed to death. All of those things you want taxed do not NEED to happen. They are simply a way of funding line items that no longer are able to fund themselves. Repeatedly Oregonians have voted for less government rather than more. We have repeatedly voted for no sales tax. We are taxed on our property, we are taxed on our income, we are taxed on vehicles, we are taxed to hunt, we are taxed to go onto public lands... it's endless. President Trump has the best plan... implement DOGE, eliminate fraud, waste, and abuse, then you will be able to afford the things that are most critical, rather than providing yourselves with a job. NO NEW TAXES, NO INCREASED TAXES, NO MORE TAXES !!!!
