

Submitter: Richard Akerman

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

To Everyone who has a vote.

HB 2025 is a cost put on the residences of Oregon at a time when people are just trying to get by. I ask that you oppose this bill . It is my understanding that the numbers against this bill are 2 to 1. If you are to represent the people you will vote to oppose HB2025.
