Co-Chairs and Committee Members,

With all the increases in taxes and fees, this bill will put undo stress on myself and the constituents I serve. We already have a tight city budget, trying to stretch our dollars as far as they can go. This bill will significantly increase the costs for our city to run which will hit Oregonians twice- through their own pocketbooks everyday and then again when cities like mine have to do more with less because the taxes we receive won't go as far.

As a City Councilor, I am tasked to be a good steward of the tax money we receive from our residents. It is not fair or just for an entity such as ODOT to mismanage their budget and then receive more of our money. Please do the right thing and vote no on this bill.

Thank you,

Jordan Ohrt
