

Submitter: Pamela Blake

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Please don't raise the gas tax, or registration fees. We already pay the tenth highest gas taxes, and it hits the working poor hard. I also disagree with a car sales tax, and the title transfer fee is high enough. Please consider how hard we struggle to make ends meet, and don't add to our financial burden.

Thank you, Pamela Blake
