

Submitter: Shirley Nickel

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Our State is becoming unaffordable, just like California. I am asking that you STOP adding costs to our daily lives. I am a Senior Citizen, and not able to increase my budget, WHY SHOULD YOU? By adding these costly taxes, you are turning our beautiful state into a den of thieves. PLEASE VOTE "NAY".
