

Submitter: Sarah Clews

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I wanted to write in and oppose this bill. Oregon is one of the least livable states with the highest taxes and Oregon democrats just keep trying to push taxes through. I absolutely do not support this or any new tax. It should be put on the ballot for the voters to decide. Oregon Democrats should stop acting like kings.
