

# Housing Infrastructure Financing Program (HIFP)

Joint Subcommittee On Transportation and Economic Development

Chris Cumming, Deputy Director, Business Oregon

Ed Tabor, Infrastructure & Program Services Director

2/12/2026

# HIFP Basics

- **Created by House Bill 3031 (2025)**
- **Supports Infrastructure for Housing Development**
- **Initial funding: \$10 million via lottery bonds (May 2026)**
- **Oregon Administrative Rules**
- **Eligible applicants**

# Current Status

- **Application Cycle**
- **Funding Requests**
- **Review Committee**
- **Application Scoring Criteria**
- **IFA Approval**

# Final Application Summary

- **Total Applications Received: 31**
- **Total Infrastructure Project Costs - \$100M**
- **Total Housing Units – 3,252**

# Award Recommendations

## Population Total <30,000

Applicant	Project Description	Housing Units	Amount Requested	Recommended Award
Dallas	Infrastructure for Pine Street for Quarterdeck Affordable Housing Development	34	\$482,810	\$482,810
Astoria	Stormwater infrastructure for Copeland Commons Affordable Housing Development	66	\$550,599	\$550,599
Klamath Tribes	Water System Improvements for Pine Grove Community Affordable Housing Development	16	\$129,049	\$129,049
Nehalem	Transportation infrastructure for Thompson Springs Affordable Housing Development	10	\$300,067	\$300,067
Regional Rural Revitalization (R3) John Day	Infrastructure improvements for “The Ridge” Housing Development in John Day	27	\$833,800	\$284,340
Milwaukie	Infrastructure improvements for the Hillside Park Affordable Housing Development	164	\$3,000,000	\$1,494,765
Sub-total		317	\$5,296,325	\$3,241,630

# Award Recommendations

## Population Total >30,000 but <100,000

Applicant	Project Description	Housing Units	Amount Requested	Recommended Award
Grants Pass	Infrastructure improvements for Allenwood Affordable Housing Development	129	\$1,979,753	\$1,979,753
Albany	Transportation infrastructure for Colonia del Valle Prospero Affordable Housing Development	102	\$2,000,000	\$520,247
Sub-total		231	\$3,979,753	\$2,500,000

# Award Recommendations

## Population Total >100,000

Applicant	Project Description	Housing Units	Amount Requested	Recommended Award
Bend (Thistle & Nest)	Infrastructure improvements for Larch Grove Housing Development	13	\$350,000	\$350,000
Eugene	Infrastructure improvements for Floral Hill Housing Development	36	\$2,000,000	\$2,000,000
Portland	Transportation infrastructure for Williams & Russell CDC Housing Development	125	\$1,908,370	\$1,908,370
Sub-total		174	\$4,258,370	\$4,258,370

# Alternate Award Recommendations (One from each population total)

Applicant	Project Description	Housing Units	Amount Requested	Recommended Award
Hillsboro	Infrastructure improvements for Willow Creek Affordable Housing Development	118	\$2,000,000	TBD
Tigard	Transportation, stormwater, water and wastewater improvements for Dartmouth Crossing South Phase 2 housing development	50	\$722,515	TBD
Tillamook	Wastewater main extension to connect sewer infrastructure to Tillamook Bay Commons affordable housing project	72	\$790,503	TBD
Sub-total		240	\$3,513,018	

# Total Award Recommendation Summary

- **Total Proposed Projects – 11**
- **Total Infrastructure Project Costs - \$26.4M**
- **Total Housing Units – 722**
- **Populations - 25% requirement**
- **Geographic distribution**

# Next Steps

- **Request Expenditure Limitation**
- **Bond Sale**
- **Contracts**

Appendix A

Housing Infrastructure Financing Program (HIFP)

All Applications by Rank

Applicant	Project Description (Brief)	Total Project Cost	IFA Approved Grant Amount	Total Units	Infrastructure Project Completion (Est.)	Housing Development Completion (Est.)	Rank	Population Size
City of Dallas (Quarterdeck)	Water, wastewater, transportation and storm water iinfrastructure to access housing development	\$482,810	\$482,810	34	June 2027	June 2027	1	1
City of Grants Pass	Transportation, water and wastewater and stormwater infrastructure improvements for housing development	\$1,979,753	\$1,979,753	129	September 2026	September 2027	2	2
City of Bend-Thistle & Nest	Transportation, water and wastewater improvements	\$1,468,550	\$350,000	13	June 2028	June 2028	2	3
City of Eugene	Water, Wastewater, Stormwater and Transportation infrastructure for new housing development.	\$6,316,089	\$2,000,000	36	November 2027	February 2030	3	3
City of Astoria	Stormwater main and lateral for the housing development property	\$578,599	\$550,599	66	August 2026	May 2028	3	1
City of Portland	Transportation infrastructure to address connectivity issues which limits housing development.	\$3,158,895	\$1,908,370	125	June 2028	July 2028	4	3
