

**REVENUE IMPACT OF
PROPOSED LEGISLATION
83rd Oregon Legislative Assembly
2026 Regular Session
Legislative Revenue Office**

Bill Number:	HB 4027 - 07
Revenue Area:	Workers' Benefit Fund
Economist:	Dae Baek
Date:	02/15/2026

*Only Impacts on Original or Engrossed
Versions are Considered Official*

The revenue impact of this measure is indeterminate for the following reasons:

The bill establishes the Bureau of Labor and Industries (BOLI) Expenses Fund. The fund will consist of moneys by an assessment on Oregon employers and employees, and any moneys appropriated to the fund by the legislature.

The Director of the Department of Consumer and Business Services (DCBS) is required to manage the fund on behalf of the BOLI. The BOLI Expenses Fund will be used to enforce Oregon's workplace laws, including those governing wages, working conditions, the employment of minors, apprenticeship programs, and protections against unlawful employment practices.

The bill modifies the structure of the existing assessment scheme on Workers' Benefit Fund (WBF). It directs the DCBS to use the existing assessment mechanism used to calculate the WBF assessment to also calculate the rate for the BOLI Expenses Fund. The assessment rate for the BOLI Expenses Fund will be set to ensure a sufficient revenue generation for enforcing Oregon's workplace laws.

Actual revenues generated from assessments will not be known until the assessment rates are finalized.
