To: Education Subcommittee
From: Haylee Morse-Miller, Legislative Fiscal Office
Date: February 24, 2026
Subject: HB 4131 – Relating to mobile pharmacies
Work Session Recommendations

HB 4131 - A requires the Oregon Board of Pharmacy (OBOP) to issue licenses to mobile pharmacy operators. The measure specifies eligibility requirements for licensure, as well as minimum standards and prohibitions for mobile operators. OBOP may establish a licensure fee for mobile pharmacies by rule, with moneys from fees deposited in the existing State Board of Pharmacy Account.

For the 2025-27 biennium, OBOP will use an existing limited duration position to assist with development of the new mobile pharmacy licensing process. The board may need to return to the Legislature with a request for additional resources for the 2027-29 biennium, based on the rules that are developed around mobile pharmacy inspections and licensing, which will drive the actual workload related to regulation of mobile pharmacies. Given the timeline for this rulemaking, a request for additional positions may need to be made in consultation with the Department of Administrative Services - Chief Financial Office as part of the development of the 2027-29 Governor's Budget, or with the Legislative Fiscal Office during development of the 2027-29 Legislatively Adopted Budget.

Final Subcommittee Action

LFO recommends that HB 4131 be moved to the Ways and Means Full Committee.
