ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

The Legislative Assembly started meeting annually after the passage of Measure 71 from 2010; a long-session in odd-numbered years and a short-session in even-numbered years. In 2011, as a result of this change, the House of Representatives and the Senate initiated the practice of introducing a concurrent resolution to establish limitations and timelines for each long and short session.
