SUMMARY

Digest: The Act allows ELC to change some standards for who can use a day care subsidy program. The Act tells DELC to create a work group to study and report to the Senate and the House on liability insurance issues for child care providers and on how to increase access and reduce costs for those providers. The Act sunsets the work group in 2029. The Act takes effect 91 days after session ends. (Flesch Readability Score: 67.7).

Allows the Early Learning Council to modify the priority given to families receiving temporary assistance for needy families for participation in the Employment Related Day Care subsidy program.

Directs the Department of Early Learning and Care to convene a work group to study the cost and availability of liability insurance and other liability issues for child care providers. Identifies work group participants. Directs the work group to report to the Legislative Assembly on options to increase child care provider access to liability insurance, to reduce the financial burden of liability insurance on child care providers and to use other strategies to address liability issues for child care providers. Requires the work group to submit the report to the Legislative Assembly by November 1, 2027. Sunsets the work group on January 2, 2029.

Takes effect on the 91st day following adjournment sine die.
