30 227.178. (1) Except as provided in subsections (3), (5) and (11) of this section, the governing body
31 of a city or its designee shall take final action on an application, including resolution of all appeals

39 substantially similar; or**

40 [(c)] (d) 63 days, for an expedited land division under ORS 197A.140.

41 (2) If an application is incomplete, the governing body or its designee shall notify the applicant
42 in writing of exactly what information is missing within 30 days of receipt of the application and
43 allow the applicant to submit the missing information. The application is deemed complete for the
44 purpose of subsection (1) of this section upon receipt by the governing body or its designee of:

45 (a) All of the missing information;

1 (b) Some of the missing information and written notice from the applicant that no other information will be provided; or

2 (c) Written notice from the applicant that none of the missing information will be provided.

3 (3)(a) Approval or denial of an application that was complete when first submitted or deemed

5 (A) Upon the standards and criteria that were applicable at the time the application was first

6 submitted; or

7 (B) For an application relating to development of housing within an urban growth boundary,

8 upon the request of the applicant, those standards and criteria that are operative at the time of the

9 request.

10 (b) If an applicant requests review under different standards as provided in paragraph (a)(B) of

11 this subsection:

12 (A) For the purposes of this section, any applicable timelines for completeness review and final

13 decisions restart as if a new application were submitted on the date of the request;

14 (B) For the purposes of this section, the application is not deemed complete until:

15 (i) The city determines that additional information is not required under subsection (2) of this

16 section; or

17 (ii) The applicant makes a submission under subsection (2) of this section in response to a city's

18 request;

19 (C) A city may deny a request under paragraph (a)(B) of this subsection if:

20 (i) The city has issued a public notice of the application; or

21 (ii) A request under paragraph (a)(B) of this subsection was previously made; and

22 (D) The city may not require that the applicant:

23 (i) Pay a fee, except to cover additional costs incurred by the city to accommodate the request;

24 (ii) Submit a new application or duplicative information, unless information resubmittal is re-

26 additional narrative is required to understand the request in context; or

27 (iii) Repeat redundant processes or hearings that are inapplicable to the change in standards

28 or criteria.

29 (4) On the 181st day after first being submitted, the application is void if the applicant has been

30 notified of the missing information as required under subsection (2) of this section and has not sub-

31 mitted:

32 (a) All of the missing information;

33 (b) Some of the missing information and written notice that no other information will be pro-

34 vided; or

35 (c) Written notice that none of the missing information will be provided.

36 (5) The period set in subsection (1) of this section may be extended for a specified period of time

37 at the written request of the applicant. The total of all extensions, except as provided in subsection

38 (11) of this section for mediation, may not exceed 245 days.

39 (6) The period set in subsection (1) of this section applies:

40 (a) Only to decisions wholly within the authority and control of the governing body of the city;

41 and

42 (b) Unless the parties have agreed to mediation as described in subsection (11) of this section

43 or ORS 197.319 (2)(b).

44 (7) Notwithstanding subsection (6) of this section, the period set in subsection (1) of this section

1 does not apply to:

2 (a) A decision of the city making a change to an acknowledged comprehensive plan or a land
3 use regulation that is submitted to the Director of the Department of Land Conservation and De-
4 velopment under ORS 197.610; or

5 (b) A decision of a city involving an application for the development of residential structures
6 within an urban growth boundary, where the city has tentatively approved the application and ex-

8 (8) If the governing body of the city or its designee does not take final action on an application
9 within the period set in subsection (1) of this section, the city shall refund to the applicant, subject
10 to the provisions of subsection (9) of this section, either the unexpended portion of any application
11 fees or deposits previously paid or 50 percent of the total amount of such fees or deposits, whichever
12 is greater. The applicant is not liable for additional governmental fees incurred subsequent to the
13 payment of such fees or deposits. However, the applicant is responsible for the costs of providing
14 sufficient additional information to address relevant issues identified in the consideration of the
15 application.

16 (9)(a) To obtain a refund under subsection (8) of this section, the applicant may either:

17 (A) Submit a written request for payment, either by mail or in person, to the city or its designee;

20 award an amount owed under this section in its final order on the petition.

21 (b) Within seven calendar days of receiving a request for a refund, the city or its designee shall
22 determine the amount of any refund owed. Payment, or notice that no payment is due, shall be made
23 to the applicant within 30 calendar days of receiving the request. Any amount due and not paid
24 within 30 calendar days of receipt of the request shall be subject to interest charges at the rate of
25 one percent per month, or a portion thereof.

26 (c) If payment due under paragraph (b) of this subsection is not paid within 120 days after the
27 city or its designee receives the refund request, the applicant may file an action for recovery of the
28 unpaid refund. In an action brought by a person under this paragraph, the court shall award to a
29 prevailing applicant, in addition to the relief provided in this section, reasonable attorney fees and
30 costs at trial and on appeal. If the city or its designee prevails, the court shall award reasonable
31 attorney fees and costs at trial and on appeal if the court finds the petition to be frivolous.

32 (10) A city may not compel an applicant to waive the period set in subsection (1) of this section
33 or to waive the provisions of subsection (8) of this section or ORS 227.179 as a condition for taking
34 any action on an application, except when such applications are filed concurrently and considered
35 jointly with a plan amendment.

36 (11) The periods set forth in subsections (1) and (5) of this section may be extended by up to 90
37 additional days, if the applicant and the city agree that a dispute concerning the application will
38 be mediated.
