(2) A credit against taxes that are otherwise due under this chapter is allowed to a taxpayer that is a de novo bank.

(3) The credit allowed under this section shall be computed by determining the amount of tax that would otherwise be imposed on a de novo bank under this chapter, but may not exceed \$1 million in each of three consecutive tax years, beginning with the tax year in which the de novo bank commences business in this state.

(4) Prior to claiming the credit allowed under this section, a taxpayer is required to demonstrate having obtained, from the Director of the Department of Consumer and Business Services, a bank charter under ORS chapter 707 and a certificate of authority to conduct banking business in this state.

(5) The credit allowed under this section may not exceed the tax liability of the taxpayer for the tax year.

(6) Any tax credit otherwise allowable under this section that is not used by the taxpayer in a particular tax year may be carried forward and offset against the taxpayer’s tax liability for the next succeeding tax year. Any credit remaining unused in the next succeeding tax year may be carried forward and used in the second succeeding tax year, and likewise any credit not used in that second succeeding tax year may be carried forward and used in the third succeeding tax year but may not be carried forward for any other succeeding tax year.
