

House Bill 4103

Sponsored by Representatives NGUYEN D, RIEKE SMITH, Senator REYNOLDS; Representatives BOWMAN, LEVY B, Senator SOLLMAN (Presession filed.)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**. The statement includes a measure digest written in compliance with applicable readability standards.

Digest: The Act makes a commission on AI to be a central resource on using AI in this state. The Act also tells DAS to hire a Chief Artificial Intelligence Officer. (Flesch Readability Score: 67.5).

Establishes the Senator Aaron Woods Commission on Artificial Intelligence within the office of Enterprise Information Services. Establishes the commission's purpose to serve as a central resource to monitor the use of artificial intelligence technologies and systems in this state and report on long-term policy implications. Directs the commission to provide an annual report to the Legislative Assembly. Allows the commission to make recommendations for legislation, regulations or policy to the Legislative Assembly.

Directs the Oregon Department of Administrative Services to hire a Chief Artificial Intelligence Officer to assist the commission in carrying out the commission's duties. Allows the department to charge a state or local agency or public body for the commission's services.

A BILL FOR AN ACT

1 Relating to artificial intelligence.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1.** (1) The Senator Aaron Woods Commission on Artificial Intelligence is es-
5 tablished within the office of Enterprise Information Services. The purpose of the commis-
6 sion is to:

7 (a) Serve as a central resource for legislators to monitor trends in and impacts from the
8 use of artificial intelligence technologies; and

9 (b) Identify and report on long-term policy implications in the use of artificial intelligence
10 technologies to assist policymakers in making strategic, well-informed decisions that foster
11 innovation while safeguarding the well-being of Oregonians.

12 (2) The commission shall:

13 (a) Conduct literature reviews of public policy issues around the use of artificial intelli-
14 gence technologies, including the benefits and risks to the broader public and historically
15 disadvantaged communities, taking into consideration equity, workforce impacts and ethical
16 concerns;

17 (b) Conduct reviews of existing protections under federal, state and local laws of
18 individuals' data and privacy rights, civil rights, intellectual property rights and safety, and
19 how federal, state and local laws that apply to artificial intelligence technologies align, differ,
20 conflict or interact;

21 (c) Identify uses of artificial intelligence systems that present or create a high risk to
22 individuals, such as risks to individuals' safety, employment rights, civil rights or constitu-
23 tional rights;

24 (d) Identify opportunities to support or promote innovation and economic growth in this

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 state in artificial intelligence technologies through the use of grants or incentives;

2 (e) Provide recommendations on limitations on the use of artificial intelligence;

3 (f) Provide recommendations on educational opportunities that are available in this state
4 and policies to maximize those opportunities, including workforce development, higher edu-
5 cation and kindergarten through grade 12 science, technology, engineering and mathematics
6 education;

7 (g) Identify impacts from the use of artificial intelligence systems on privacy interests
8 of individuals in this state and what policies are needed to protect individuals' privacy in-
9 terests from any diminution caused by the use of artificial intelligence systems in the private
10 or public sector;

11 (h) Identify impacts and opportunities related to the use of artificial intelligence systems
12 on jobs and incomes in this state and recommend policies to protect jobs and incomes from
13 adverse effects from the use of artificial intelligence systems;

14 (i) Review the state of education in this state around the uses of artificial intelligence
15 systems at the primary, secondary and post-secondary education levels and identify at what
16 level of education different subjects that incorporate information about artificial intelligence
17 technologies, including ethics, are taught;

18 (j) Provide recommendations relating to the industry-wide standards and legal use of data
19 to train artificial intelligence models;

20 (k) Conduct a review of issues around unlawful discrimination, on the basis of race, color,
21 national origin, creed, religion, sex, sexual orientation, gender identity, disability, age, vet-
22 eran or military status, marital status, family status or any other protected class, from the
23 use of artificial intelligence systems and provide recommendations for mitigating or pro-
24 tecting against such discrimination;

25 (L) Provide recommendations on prioritizing transparency to improve the understanding
26 of the behavior and functional components of artificial intelligence systems and enable the
27 identification of performance issues, safety and privacy concerns, biases, exclusionary prac-
28 tices and unintended outcomes;

29 (m) Conduct a review of legal and contractual protections for individual personhood
30 against the use of artificial intelligence systems to create an artificial replica, including an
31 artificial replica of a person's voice, image or likeness; and

32 (n) Conduct a review on the use of artificial intelligence systems to support or make
33 decisions around employment.

34 (3) The commission shall consist of 14 voting members and four nonvoting members as
35 follows:

36 (a) The President of the Senate and the Speaker of the House of Representatives shall
37 jointly appoint the following voting members:

38 (A) Three members who represent business leagues, including trade or professional as-
39 sociations.

40 (B) Three members who represent workers, including from organized labor and trade or
41 professional associations.

42 (C) One member who represents consumer advocacy groups.

43 (D) One member who represents the public universities listed in ORS 352.002, private
44 post-secondary institutions authorized to confer academic degrees under ORS 348.594 to
45 348.615 or community colleges, as defined in ORS 341.005, and who has expertise in the de-

1 sign, effects and ethical use of artificial intelligence systems.

2 (E) One member who represents the education system from early learning through high
3 school.

4 (F) One member who has expertise in ethics and technology.

5 (G) One member who has expertise in privacy and data protection.

6 (H) One member who represents tribal governments.

7 (b) The Governor shall appoint, subject to confirmation by the Senate in the manner
8 prescribed in ORS 171.562 and 171.565, the following voting members:

9 (A) One member who represents communities that are disproportionately vulnerable to
10 being harmed by algorithmic bias.

11 (B) One member who represents public safety.

12 (c) The nonvoting members shall be:

13 (A) The Chief Artificial Intelligence Officer or the officer's designee.

14 (B) The Commissioner of the Bureau of Labor and Industries or the commissioner's
15 designee.

16 (C) The Attorney General or the Attorney General's designee.

17 (D) The Chief Justice of the Supreme Court or the Chief Justice's designee.

18 (4) The voting members of the commission must have experience in technology policy.

19 (5) The term of office of each voting member is three years. A voting member serves
20 at the pleasure of the appointing authority. Before the expiration of the term of a voting
21 member, the appointing authority shall appoint a successor whose term begins on January
22 1 of the following year. A voting member may be reappointed. If there is a vacancy for any
23 cause, the appointing authority shall make an appointment to become immediately effective
24 for the unexpired term.

25 (6)(a) The commission may establish one or more advisory subcommittees to advise in
26 an area impacted by artificial intelligence. An advisory subcommittee may be established for
27 an ongoing or limited duration. In establishing an advisory subcommittee, the commission
28 shall define the advisory subcommittee's charge, subject area of focus and scope of activity.
29 An advisory subcommittee's subject area of focus may include, but is not limited to, one or
30 more of the following areas:

31 (A) Workforce and labor;

32 (B) Privacy and data;

33 (C) Ethics and bias in health care, housing, law enforcement, education, civil rights or
34 employment;

35 (D) Education; or

36 (E) Innovation.

37 (b) Members of an advisory subcommittee are appointed by the chairperson of the com-
38 mission subject to approval by a majority of the voting members of the commission.

39 (c) An advisory subcommittee shall consist of no more than seven members.

40 (d) Members of an advisory subcommittee must represent a broad and diverse cross
41 section of stakeholders in the area advised on by the advisory subcommittee and include, at
42 a minimum, the following members:

43 (A) One member who has industry expertise relevant to the advisory subcommittee's
44 subject area of focus.

45 (B) One member who represents an advocacy group.

1 (C) One member who represents an organization that represents work in an area that is
2 relevant to the advisory subcommittee's subject area of focus.

3 (e) Members of the commission may not serve on an advisory subcommittee.

4 (7) In carrying out the commission's duties, the commission shall seek input from com-
5 munity members and state agencies, including the Department of Education, Department of
6 Consumer and Business Services, Oregon Health Authority and State Department of Energy
7 and any other state agency.

8 (8) On or before September 1 of each year, the commission shall submit a report in the
9 manner provided by ORS 192.245, and may include recommendations for legislation, regu-
10 lations or policies, to the Legislative Assembly.

11 (9) A majority of voting members of the commission constitutes a quorum for the
12 transaction of business.

13 (10) The commission shall elect one of its voting members to serve as chairperson of the
14 commission.

15 (11) The commission shall meet at least once every three months at times and places
16 specified by the call of the chairperson or of a majority of voting members of the commis-
17 sion.

18 (12) Members of the commission shall be paid compensation and expenses as provided in
19 ORS 292.495 from such funds as may be available to the commission.

20 (13) The Chief Artificial Intelligence Officer shall provide resources and staffing required
21 by the commission to carry out the commission's duties.

22 SECTION 2. Notwithstanding the term of office specified in section 1 (5) of this 2026 Act,
23 of the voting members first appointed to the Senator Aaron Woods Commission on Artificial
24 Intelligence:

25 (1) Four shall serve for a term ending December 31, 2029.

26 (2) Five shall serve for a term ending December 31, 2030.

27 (3) Five shall serve for a term ending December 31, 2031.

28 SECTION 3. (1) The Oregon Department of Administrative Services shall employ a Chief
29 Artificial Intelligence Officer.

30 (2) The Chief Artificial Intelligence Officer shall:

31 (a) Assist and advise the Senator Aaron Woods Commission on Artificial Intelligence
32 established under section 1 of this 2026 Act; and

33 (b) Provide policy and support staff to the commission to assist the commission in car-
34 rying out the commission's duties.

35 SECTION 4. The Oregon Department of Administrative Services may charge an assess-
36 ment to a state or local agency, officer, board or commission for the cost incurred by the
37 department or the Senator Aaron Woods Commission on Artificial Intelligence in providing
38 services related to artificial intelligence systems requested by a state or local agency, officer,
39 board or commission.

40 SECTION 5. In addition to and not in lieu of any other appropriation, there is appropri-
41 ated to the Oregon Department of Administrative Services, for the biennium beginning July
42 1, 2025, out of the General Fund, the amount of \$_____, which may be expended by the de-
43 partment to hire additional full-time employees to enable the Chief Artificial Intelligence
44 Officer to carry out the Chief Artificial Intelligence Officer's duties under sections 1 and 3
45 of this 2026 Act.
