**Be It Enacted by the People of the State of Oregon:**

**SECTION 1.** (1) Notwithstanding any contrary provision of a city charter or ordinance, upon receipt of a petition proposing annexation of noncontiguous land submitted by all owners of the land, the legislative body of the City of Eugene may annex the land without holding a public hearing or submitting the proposal to the electors of the city if:

- (a) The land is located within the city’s acknowledged urban growth boundary.
- (b) The land is designated for residential or mixed use on the city’s acknowledged comprehensive plan, excluding land designated for heavy industrial uses.

(2) Upon determining that the noncontiguous land proposed for annexation satisfies the criteria described under subsection (1) of this section, the legislative body of the city may, by resolution or ordinance, declare that the land is annexed to the city and set the final boundaries of the area to be annexed by a legal description.
