CHAPTER

AN ACT

Relating to limitations on the actions of public employees; creating new provisions; amending ORS 399.035; and declaring an emergency.

Whereas the Legislative Assembly affirms that law enforcement agencies in Oregon are committed to the principles of transparency, accountability and public trust; and

Whereas Oregonians expect to feel safe when interacting with law enforcement officials; and

Whereas law enforcement officers rely on trust to build legitimacy within their communities, which is accomplished by allowing the public the ability to identify officers and communicate with them openly; and

Whereas facial coverings and masks, which conceal facial identity and expression, can undermine that trust; and

Whereas interaction with law enforcement officers whose faces are visible can reduce fear and anxiety during stressful encounters; and

Whereas Oregonians expect all law enforcement agencies and officers who operate within this state to abide by the principles of transparency, accountability and public trust; and

Whereas it shall be the policy of the State of Oregon that all law enforcement officers operating in Oregon must not wear masks or any facial coverings, except for specific, limited exceptions including undercover operations, Special Weapons and Tactics (SWAT) operations, fire protection, health and safety and other necessary uses; now, therefore,

Be It Enacted by the People of the State of Oregon:

The agency shall have 180 days to correct any deficiencies in the policy. If, after 180 days, the agency fails to adequately address the objection, the objecting party may seek an injunction against the law enforcement agency, in the circuit court for any county in which an office of the agency is located, to restrain an actual or threatened violation of the requirements of this section.

(5) Nothing in this section or section 4 of this 2026 Act preempts a local government from enacting an ordinance requiring law enforcement agencies operating within the local government's jurisdiction to adopt a policy that is more stringent than the requirements of this section, so long as the policy includes the exceptions from the facial covering prohibition as described in section 4 (2) of this 2026 Act.
