5 **SECTION 1.** ORS 40.460 is amended to read:

22 evidence but may not itself be received as an exhibit unless offered by an adverse party.

23 (6) A memorandum, report, record, or data compilation, in any form, of acts, events, conditions,
24 opinions, or diagnoses, made at or near the time by, or from information transmitted by, a person

6 prove the nonoccurrence or nonexistence of the matter, if the matter was of a kind of which a
7 memorandum, report, record, or data compilation was regularly made and preserved, unless the
8 sources of information or other circumstances indicate lack of trustworthiness.

23 nonoccurrence or nonexistence of a matter of which a record, report, statement or data compilation,
24 in any form, was regularly made and preserved by a public office or agency, including a federally
25 recognized American Indian tribal government, evidence in the form of a certification in accordance
26 with ORS 40.510, or testimony, that diligent search failed to disclose the record, report, statement
27 or data compilation, or entry.

32 ceremony or administered a sacrament, made by a member of the clergy, a public official, an official
33 of a federally recognized American Indian tribal government or any other person authorized by the
34 rules or practices of a religious organization or by law to perform the act certified, and purporting

39 (14) The record of a document purporting to establish or affect an interest in property, as proof
40 of content of the original recorded document and its execution and delivery by each person by whom
41 it purports to have been executed, if the record is a record of a public office, including a federally
42 recognized American Indian tribal government, and an applicable statute authorizes the recording
43 of documents of that kind in that office.

44 (15) A statement contained in a document purporting to establish or affect an interest in prop-
45 erty if the matter stated was relevant to the purpose of the document, unless dealings with the

1 property since the document was made have been inconsistent with the truth of the statement or
2 the purport of the document.

3 (16) Statements in a document in existence 20 years or more the authenticity of which is es-
4 tablished.

5 (17) Market quotations, tabulations, lists, directories, or other published compilations, generally
6 used and relied upon by the public or by persons in particular occupations.

7 (18) (Reserved.)

8 (18a)(a) A complaint of sexual misconduct, complaint of abuse as defined in ORS 107.705 or
9 419B.005, complaint of abuse of an elderly person, as those terms are defined in ORS 124.050, or a
10 complaint relating to a violation of ORS 163.205 or 164.015 in which a person 65 years of age or
11 older is the victim, made by the witness after the commission of the alleged misconduct or abuse
12 at issue. Except as provided in paragraph (b) of this subsection, such evidence must be confined to
13 the fact that the complaint was made.

14 (b) A statement made by a person concerning an act of abuse as defined in ORS 107.705 or
15 419B.005, a statement made by a person concerning an act of abuse of an elderly person, as those
16 terms are defined in ORS 124.050, or a statement made by a person concerning a violation of ORS
17 163.205 or 164.015 in which a person 65 years of age or older is the victim, is not excluded by ORS
18 40.455 if the declarant either testifies at the proceeding and is subject to cross-examination, or is
19 unavailable as a witness but was chronologically or mentally under 12 years of age when the
20 statement was made or was 65 years of age or older when the statement was made. However, if a
21 declarant is unavailable, the statement may be admitted in evidence only if the proponent estab-
22 lishes that the time, content and circumstances of the statement provide indicia of reliability, and
23 in a criminal trial or juvenile delinquency proceeding that there is corroborative evidence of the
24 act of abuse and of the alleged perpetrator's opportunity to participate in the conduct and that the
25 statement possesses indicia of reliability as is constitutionally required to be admitted. No statement
26 may be admitted under this paragraph unless the proponent of the statement makes known to the
27 adverse party the proponent's intention to offer the statement and the particulars of the statement
28 no later than 15 days before trial, except for good cause shown. For purposes of this paragraph, in
29 addition to those situations described in ORS 40.465 (1), the declarant shall be considered "unavail-
30 able" if the declarant has a substantial lack of memory of the subject matter of the statement, is
31 presently incompetent to testify, is unable to communicate about the abuse or sexual conduct be-
32 cause of fear or other similar reason or is substantially likely, as established by expert testimony,
33 to suffer lasting severe emotional trauma from testifying. Unless otherwise agreed by the parties,
34 the court shall examine the declarant in chambers and on the record or outside the presence of the
35 jury and on the record. The examination shall be conducted immediately prior to the commencement
36 of the trial in the presence of the attorney and the legal guardian or other suitable person as des-
37 ignated by the court. If the declarant is found to be unavailable, the court shall then determine the
38 admissibility of the evidence. The determinations shall be appealable under ORS 138.045 (1)(d). The
39 purpose of the examination shall be to aid the court in making its findings regarding the availability
40 of the declarant as a witness and the reliability of the statement of the declarant. In determining
41 whether a statement possesses indicia of reliability under this paragraph, the court may consider,
42 but is not limited to, the following factors:

43 (A) The personal knowledge of the declarant of the event;

44 (B) The age and maturity of the declarant or extent of disability if the declarant is a person
45 with a developmental disability;

1 (C) Certainty that the statement was made, including the credibility of the person testifying
2 about the statement and any motive the person may have to falsify or distort the statement;

3 (D) Any apparent motive the declarant may have to falsify or distort the event, including bias,
4 corruption or coercion;

5 (E) The timing of the statement of the declarant;

6 (F) Whether more than one person heard the statement;

7 (G) Whether the declarant was suffering pain or distress when making the statement;

8 (H) Whether the declarant's young age or disability makes it unlikely that the declarant fabri-
9 cated a statement that represents a graphic, detailed account beyond the knowledge and experience
10 of the declarant;

11 (I) Whether the statement has internal consistency or coherence and uses terminology appro-
12 priate to the declarant's age or to the extent of the declarant's disability if the declarant is a person
13 with a developmental disability;

14 (J) Whether the statement is spontaneous or directly responsive to questions; and

15 (K) Whether the statement was elicited by leading questions.

16 (c) This subsection applies to all civil, criminal and juvenile proceedings.

17 (d) This subsection applies to a child declarant, a declarant who is an elderly person as defined
18 in ORS 124.050 or an adult declarant with a developmental disability. For the purposes of this sub-
19 section, "developmental disability" means any disability attributable to mental retardation, autism,
20 cerebral palsy, epilepsy or other disabling neurological condition that requires training or support
21 similar to that required by persons with mental retardation, if either of the following apply:

22 (A) The disability originates before the person attains 22 years of age, or if the disability is at-
23 tributable to mental retardation the condition is manifested before the person attains 18 years of
24 age, the disability can be expected to continue indefinitely, and the disability constitutes a sub-
25 stantial handicap to the ability of the person to function in society.

26 (B) The disability results in a significant subaverage general intellectual functioning with con-
27 current deficits in adaptive behavior that are manifested during the developmental period.

28 (19) Reputation among members of a person's family by blood, adoption or marriage, or among
29 a person's associates, or in the community, concerning a person's birth, adoption, marriage, divorce,
30 death, legitimacy, relationship by blood or adoption or marriage, ancestry, or other similar fact of
31 a person's personal or family history.

32 (20) Reputation in a community, arising before the controversy, as to boundaries of or customs
33 affecting lands in the community, and reputation as to events of general history important to the
34 community or state or nation in which located.

35 (21) Reputation of a person's character among associates of the person or in the community.

36 (22) Evidence of a final judgment, entered after a trial or upon a plea of guilty, but not upon a
37 plea of no contest, adjudging a person guilty of a crime other than a traffic offense, to prove any
38 fact essential to sustain the judgment, but not including, when offered by the government in a
39 criminal prosecution for purposes other than impeachment, judgments against persons other than the
40 accused. The pendency of an appeal may be shown but does not affect admissibility.

41 (23) Judgments as proof of matters of personal, family or general history, or boundaries, essen-
42 tial to the judgment, if the same would be provable by evidence of reputation.

43 (24) Notwithstanding the limits contained in subsection (18a) of this section, in any proceeding
44 in which a child under 12 years of age at the time of trial, or a person with a developmental dis-
45 ability as described in subsection (18a)(d) of this section, may be called as a witness to testify con-

1 cerning an act of abuse, as defined in ORS 419B.005, or sexual conduct performed with or on the
2 child or person with a developmental disability by another, the testimony of the child or person with
3 a developmental disability taken by contemporaneous examination and cross-examination in another
4 place under the supervision of the trial judge and communicated to the courtroom by closed-circuit
5 television or other audiovisual means. Testimony will be allowed as provided in this subsection only
6 if the court finds that there is a substantial likelihood, established by expert testimony, that the
7 child or person with a developmental disability will suffer severe emotional or psychological harm
8 if required to testify in open court. If the court makes such a finding, the court, on motion of a
9 party, the child, the person with a developmental disability or the court in a civil proceeding, or on
10 motion of the district attorney, the child or the person with a developmental disability in a criminal
11 or juvenile proceeding, may order that the testimony of the child or the person with a developmental
12 disability be taken as described in this subsection. Only the judge, the attorneys for the parties, the
13 parties, individuals necessary to operate the equipment and any individual the court finds would
14 contribute to the welfare and well-being of the child or person with a developmental disability may
15 be present during the testimony of the child or person with a developmental disability.

16 (25)(a) Any document containing data prepared or recorded by the Oregon State Police pursuant
17 to ORS 813.160 (1)(b)(C) or (E), or pursuant to ORS 475.235 (4), if the document is produced by data
18 retrieval from the Law Enforcement Data System or other computer system maintained and operated
19 by the Oregon State Police, and the person retrieving the data attests that the information was re-
20 trieval directly from the system and that the document accurately reflects the data retrieved.

21 (b) Any document containing data prepared or recorded by the Oregon State Police that is
22 produced by data retrieval from the Law Enforcement Data System or other computer system
23 maintained and operated by the Oregon State Police and that is electronically transmitted through
24 public or private computer networks under an electronic signature adopted by the Oregon State
25 Police if the person receiving the data attests that the document accurately reflects the data re-
26 ceived.

27 (c) Notwithstanding any statute or rule to the contrary, in any criminal case in which docu-
28 ments are introduced under the provisions of this subsection, the defendant may subpoena the ana-
29 lyst, as defined in ORS 475.235 (6), or other person that generated or keeps the original document
30 for the purpose of testifying at the preliminary hearing and trial of the issue. Except as provided
31 in ORS 44.550 to 44.566, no charge shall be made to the defendant for the appearance of the analyst
32 or other person.

33 (26)(a) A statement that purports to narrate, describe, report or explain an incident of domestic
34 violence, as defined in ORS 135.230, made by a victim of the domestic violence within 24 hours after
35 the incident occurred, if the statement:

36 (A) Was recorded, either electronically or in writing, or was made to a peace officer as defined
37 in ORS 161.015, corrections officer, youth correction officer, parole and probation officer, emergency
38 medical services provider or firefighter; and

39 (B) Has sufficient indicia of reliability.

40 (b) In determining whether a statement has sufficient indicia of reliability under paragraph (a)
41 of this subsection, the court shall consider all circumstances surrounding the statement. The court
42 may consider, but is not limited to, the following factors in determining whether a statement has
43 sufficient indicia of reliability:

44 (A) The personal knowledge of the declarant.

45 (B) Whether the statement is corroborated by evidence other than statements that are subject

1 to admission only pursuant to this subsection.

2 (C) The timing of the statement.

3 (D) Whether the statement was elicited by leading questions.

4 (E) Subsequent statements made by the declarant. Recantation by a declarant is not sufficient
5 reason for denying admission of a statement under this subsection in the absence of other factors
6 indicating unreliability.

7 **(27)(a) A statement that purports to narrate, describe, report or explain a crime of
8 trafficking in persons under ORS 163.266, purchasing sex with a minor under ORS 163.413,
9 promoting prostitution under ORS 167.012, compelling prostitution under ORS 167.017, or any
10 attempt, conspiracy or solicitation of a crime listed in this paragraph, that involves a com-
11 mercial sex act as defined in ORS 163.266, if the statement:**

12 (A) Was made by a victim of the crime within 24 hours before or after the victim engages
13 in, or offers or agrees to engage in, the commercial sex act;

14 (B) Was recorded, either electronically or in writing, or was made to a peace officer as
15 defined in ORS 161.015, corrections officer, youth correction officer, parole and probation
16 officer, emergency medical services provider or firefighter; and

17 (C) Has sufficient indicia of reliability.

18 (b) In determining whether a statement has sufficient indicia of reliability under para-
19 graph (a) of this subsection, the court shall consider all circumstances surrounding the
20 statement. The court may consider, but is not limited to, the following factors in determining
21 whether a statement has sufficient indicia of reliability:

22 (A) The personal knowledge of the declarant.

23 (B) Whether the statement is corroborated by evidence other than statements that are
24 subject to admission only pursuant to this subsection.

25 (C) The timing of the statement.

26 (D) Whether the statement was elicited by leading questions.

27 (E) Subsequent statements made by the declarant. Recantation by a declarant is not
28 sufficient reason for denying admission of a statement under this subsection in the absence
29 of other factors indicating unreliability.

30 [(27)] (28) A report prepared by a forensic scientist that contains the results of a presumptive
31 test conducted by the forensic scientist as described in ORS 475.235, if the forensic scientist attests
32 that the report accurately reflects the results of the presumptive test.

33 [(28)(a)] (29)(a) A statement not specifically covered by any of the foregoing exceptions but
34 having equivalent circumstantial guarantees of trustworthiness, if the court determines that:

35 (A) The statement is relevant;

36 (B) The statement is more probative on the point for which it is offered than any other evidence
37 that the proponent can procure through reasonable efforts; and

38 (C) The general purposes of the Oregon Evidence Code and the interests of justice will best be
39 served by admission of the statement into evidence.

40 (b) A statement may not be admitted under this subsection unless the proponent of it makes
41 known to the adverse party the intention to offer the statement and the particulars of it, including
42 the name and address of the declarant, sufficiently in advance of the trial or hearing, or as soon as
43 practicable after it becomes apparent that such statement is probative of the issues at hand, to
44 provide the adverse party with a fair opportunity to prepare to meet it.

45 **SECTION 2. The amendments to ORS 40.460 by section 1 of this 2026 Act apply to state-**

1 **ments offered into evidence on or after the effective date of this 2026 Act.**

2 **SECTION 3. This 2026 Act takes effect on the 91st day after the date on which the 2026**
