SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure. The statement includes a measure digest written in compliance with applicable readability standards.

Digest: The Act requires OHA, CCOs and health benefit plans that cover birth and pregnancy costs to also cover doula costs up to stated amounts of service. The Act requires that those entities and health benefit plans also cover lactation counselor costs. The Act requires those changes for contracts or plans that start or renew in 2028 or later. The Act requires the THW Commission to adopt rules about lactation counselors. The Act starts when it is signed. (Flesch Readability Score: 61.5).

Establishes coverage levels for doula services in the state medical assistance program and for health benefit plans that provide coverage for pregnancy and childbirth expenses. Requires the Oregon Health Authority, coordinated care organizations and health benefit plans that provide coverage for pregnancy and childbirth to provide coverage for services of lactation counselors. Specifies that minimum coverage level modifications for doula services and required coverage for lactation counselor services become operative on January 1, 2028.

Directs the Traditional Health Workers Commission to establish a voluntary registration system for lactation counselors. Becomes operative on January 1, 2028.

Creates the Oregon Perinatal Collaborative in the Oregon Health and Science University.
Declares an emergency, effective on passage.

45 **SECTION 8. Section 9 of this 2026 Act is added to and made a part of ORS chapter 414.**

1 **SECTION 9.** (1) As used in this section, “lactation counselor” has the meaning given that
2 term in section 11 of this 2026 Act.

3 (2) The Oregon Health Authority and a coordinated care organization shall ensure that
4 medical assistance recipients have access to services provided by lactation counselors and
5 that access to those services is made available without a referral from another health care
6 provider.

7 (3) A coordinated care organization shall make information about how to access services
8 provided by a lactation counselor available on a website operated by or on behalf of the co-
9 ordinated care organization and shall provide the information in print whenever a printed
10 explanation of benefits is available.

11 (4) The authority shall in each even-numbered year review, and revise if necessary, any
12 rates of reimbursement in the state medical assistance program for lactation counselors.
13 When reviewing and revising rates of reimbursement, the authority shall consider retention
14 of lactation counselors as a factor.

15 **SECTION 10.** Section 9 of this 2026 Act applies to contracts between coordinated care
16 organizations and the Oregon Health Authority entered into, amended or renewed on or after
17 January 1, 2028.

18 **SECTION 11.** (1) As used in this section, “lactation counselor” has the meaning given
19 that term by the Traditional Health Workers Commission by rule.

20 (2) The commission shall adopt rules to establish a voluntary registration for lactation
21 counselors. The rules adopted under this section must include at least rules to:

22 (a) Establish continuing education requirements for lactation counselors;

23 (b) Establish standards of practice for lactation counselors;

24 (c) Establish a voluntary registration process and requirements for lactation counselors;
25 and

26 (d) Specify that a lactation counselor may provide services to a client who was pregnant
27 regardless of the client’s birth outcome.

28 **SECTION 12.** ORS 743A.081 is amended to read:

29 743A.081. (1) As used in this section[.],

30 [(a)] “doula” has the meaning given that term in ORS [414.667] **414.025**.

31 [(b)] “Lactation counselor” and “lactation educator” have the meanings given those terms in ORS
32 676.665.]

33 (2) A health benefit plan, as defined in ORS 743B.005, in this state that reimburses the cost of
34 pregnancy and childbirth expenses shall provide coverage for services provided by doulas[, *lactation*
35 *counselors and lactation educators*].

36 (3) Covered services required under subsection (2) of this section shall include a minimum of 24
37 hours of services, in addition to labor and delivery services, regardless of birth outcome, with an
38 option for the health benefit plan to approve additional hours based on need.

39 (4) Except for coverage of additional hours based on need as described in subsection (3) of this
40 section, the health benefit plan described in subsection (2) of this section may not require prior au-
41 thorization, a referral from another health care provider or a signature from or supervision by any
42 other health care provider for coverage of services described in this section.

43 (5) A health benefit plan that provides the services described in subsection (2) of this section
44 shall provide information on how to access doulas[, *lactation counselors and lactation educators*] to
45 all enrollees.

1 (6) The coverage required by subsection (2) of this section may be made subject to provisions
2 of the policy, certificate or contract that apply to other benefits under the policy, certificate or
3 contract, including, but not limited to, provisions related to deductibles and coinsurance.

4 (7) The health benefit plan shall reimburse the cost for coverage of services described in this
5 section up to a total amount that is not less than \$3,760. On January 1 of each year, the Department
6 of Consumer and Business Services shall adjust the dollar limit provided by this subsection to reflect
7 the percentage changes in the Consumer Price Index for all Urban Consumers, West Region (All
8 Items), as published by the Bureau of Labor Statistics of the United States Department of Labor or
9 a successor agency, and may vary from year to year.

10 (8) This section is exempt from ORS 743A.001.

11 **SECTION 13.** ORS 743A.081, as amended by section 12 of this 2026 Act, is amended to read:

12 743A.081. (1) As used in this section, “doula” [*has the meaning given that term*] **means a doula,**
13 **as defined in ORS 414.025, who is certified and registered by the Oregon Health Authority.**

15 pregnancy and childbirth expenses shall provide coverage for services provided by doulas, lactation
16 counselors and lactation educators.]

17 [(3) Covered services required under subsection (2) of this section shall include a minimum of 24
18 hours of services, in addition to labor and delivery services, regardless of birth outcome, with an option
19 for the health benefit plan to approve additional hours based on need.]

20 **(2) A health benefit plan, as defined in ORS 743B.005, in this state that provides coverage**
21 **for pregnancy and childbirth shall provide coverage for services provided by doulas up to**
22 **\$3,760 of coverage per 12-month period under a plan or per calendar year.**

23 **(3) If additional doula services are needed after the benefit amount specified in subsection**
24 **(2) of this section is exhausted, a health benefit plan may approve the additional services,**
25 **subject to reasonable medical management techniques.**

26 (4) Except for [*coverage of additional hours*] **the approval of additional services** based on need
27 as described in subsection (3) of this section, the health benefit plan described in subsection (2) of
28 this section may not require prior authorization, a referral from another health care provider or a
29 signature from or supervision by any other health care provider for coverage of services described
30 in this section.

31 **(5) A health benefit plan may develop payment models that enable the member to receive**
32 **the following services within the benefit amount described in subsection (2) of this section:**
