

Submitter: Ian Knemeyer  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB4145

Increasing the cost of the permit hurts poor people trying to exercise their constitutional rights. Why do democrats want to make it more difficult for poor people to afford to defend themselves?

Why are retired probation officers allowed to have standard capacity magazines while making it illegal for law abiding citizens? You are giving special rights, above and beyond the rights of citizens.

They are retired, why do they require special treatment?

Please stop the blatant attack on citizens constitutional rights.
