HB4145

I am resident of rural Washington County and I am a law abiding citizen. The State of Oregon continues its attempt to remove the rights granted by both State and U.S. Constitution from law abiding gun owners. This is a deliberate and offensive onslaught by those who seek power. With this latest rerun of trying to force Mz 114 in place in any way that you can you create separate classes of citizens.

Oregon Constitution:

Section 20. Equality of privileges and immunities of citizens. No law shall be passed granting to any citizen or class of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens.

With your carve outs you create two classes of citizens. Beyond stripping away my rights you now add insult to injury by making me a second class citizen. This is in addition to the never ending cash grab for a permit system that you seek foist upon Oregonians.

Please stop this fanatic tyranny,

Dan Wade
