Measure, Appointment or Topic: HB4145

Members of the House Judiciary Committee,
I write in opposition to this bill even as it will fall on deaf ears. If we apply the same logic to other rights outlined in the Bill of Rights, none of these restrictions would stand. Permit to exercise free speech? You'll have to wait up to 60 days. Fee for voting? 150 dollars. Limit on gatherings for worship? You may have gatherings, but only with 10 people at a time. These restrictions are the assault on freedoms enumerated in our constitution. Assault legislation on firearms ownership. Please vote no on these assaults.
