

Submitter:

Kevin Smith

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

A unconstitutional bill, that ammends an unconstitutional measure that is in Oregon Supreme court..

I'm tired of our tax dollars being wasted on unconstitutional bills and measures..

Measures and bills that the common criminals don't abide by.. I highly oppose this bill along with measure 114..

Our representatives need to do better!!!
