Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4145

Quit trying to take away our rights. Quit spending resources on measure 114 until it has had a final court decision. And to the democratic representatives, have you learned nothing from the Governor's transportation tax? You need to listen to your constituents, and not just blindly follow democratic leadership.

If you are coming up on reelection, your individual voting record may be the end of your political career
