Measure, Appointment or Topic: HB4145

Hello,

HB 4145 does little more than compound the injustices foisted on the public in Measure 114.

The only rational action is to amend HB4145 to a single line that reads,

"Given that Measure 114 is facially unconstitutional based on numerous supreme Court decisions it is hereby rescinded in all parts".

Any other course only commits the estate of Oregon to years of expense defending the indefensible.

You as legislators have an obligation to the people of Oregon to be mindful stewards of our tax dollars.

This is your chance to do the right thing and do just that, reject this bill and move on to solving real problems, honest citizens exercising their civil rights are not one of those problems.
