

Submitter:

Candice Fuller

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

We have the right to bear arms and our forefathers protected that right with the 2nd amendment. It is in our constitution. You are all voted in and swore to protect the constitution. Quit trying to take that right away by charging excessive fees to do the right thing. Just because Oregon can't manage their budget stop trying to nickel and dime taxpayers to make up for it. I strongly oppose this.
