

Submitter:

Daniel Godfrey

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

For so many reasons, you must OPPOSE HB 4145. Common sense alone should tell you that this bill should be dead on arrival; yet, here we are again discussing a bill that is clearly unconstitutional. When will the voice of the people matter to you?

I OPPOSE this bill. Do the right thing and OPPOSE too.
