Measure, Appointment or Topic:	HB4145

HB 4145 is a waste of time and money. There are so many issues facing Oregon that need your attention. I am opposed to this bill on more than one issue. Plus it violates the constitution.

You as legislators have an obligation to the people of Oregon to be mindful stewards of our tax dollars.

This is your chance to do the right thing and do just that, reject this bill and move on to solving real problems, honest citizens exercising their civil rights are not one of those problems.
