

Submitter:

Christopher Harrah

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I oppose this bill.

there is no other constitutionally protected right that requires a permit first. and criminals will not get a permit to have a firearm or care about magazine limits, are you going to provide a cop to every person for protection?. just like all the other drugs that they get and distribute that is illegal. YOU ARE WASTING TAX MONEY AND TIME.
