Measure, Appointment or Topic:

HB4145

I am opposed to this measure based on several factors. 1. It is grossly unconstitutional to both the Oregon and US Constitutions. 2. It creates a financial burden on low income folks simply to have a right that is free to all Oregonians. 3. The carve-out for law enforcement is outrageous, illegal, and immoral. You cannot create law that does not apply to all Oregonians.4. Oregon already has the insta-check system that does its job for 10 bucks. If you truly want to reduce crime in Oregon, turn your focus to criminals and leave the rest of us alone!
