

Submitter:	Joseph Gratz
On Behalf Of:	Myself and Oregon Citizens
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4145

I believe this bill goes against the Oregon state constitution creating un-equal privileges between classes of citizens by not requiring a permit for some while forcing others to comply. This will also adversely effect the rights of people of color, indigenous people, undocumented citizens and the LGBTQ community by restricting their access to firearms, especially in a time where they are already being targeted and put in dangerous situations daily.
