Measure, Appointment or Topic: HB4145

Dear Committee Members],

i am writing as a concerned Oregon resident to urge you to oppose and vote against House Bill 4145. This legislation represents an unnecessary waste of legislative time and taxpayer dollars at a moment when Oregon faces far more pressing challenges—issues like housing affordability, public safety, economic pressures, and infrastructure needs that directly affect everyday citizens. Beyond its poor timing and priorities, I am opposed to HB 4145 on multiple grounds, including its infringement on constitutional rights. Honest, law-abiding Oregonians exercising their civil liberties should not be treated as problems to be solved through additional bureaucracy and restrictions. As elected officials, you have a solemn duty to act as responsible stewards of our tax dollars and to focus on solutions that truly serve the public interest. This is an opportunity to do the right thing: reject HB 4145 outright, move past this distraction, and direct your energy toward addressing Oregon's real and urgent problems. Thank you for your time and consideration. I respectfully ask that you oppose this bill.

Sincerely,  
Gregory McGill
