HB4145

I oppose HB 4145. It violates both the Federal Constitution and the State constitution. It does not make law abiding gun owners safer. It makes all of us less safe. Criminals love a disarmed public. Just look at what happened in England after they banned guns. This bill will also cost the state more money defending it. If these unconstitutional laws continue to get worse one will eventually make it to SCOTUS! In a time where there is a budget deficit in Oregon and the public schools are crumbling we need to focus on funding basic services and stop infringing on law abiding citizens and spending millions defending the laws.
