HB 4145,

I oppose this horrible house bill. This is one of the most blatant attacks on the law abiding citizens of Oregon. There are so many other things that need the attention of our legislators in our state right now. It has become quite obvious that there are many legislators that feel they need to attack and squelch law abiding citizens rights. The cost alone to implement this horrible unconstitutional house bill will be in millions. What. Waste of taxpayers money, just so you can attack law abiding citizens rights.
