HB4145

I am opposed to HB 4145. It is grossly unconstitutional to both the Oregon and US Constitutions. It creates an unnecessary financial burden on law-abiding citizens to exercise a right that is free today to all Oregonians. The clause for law enforcement is outrageous and immoral. Every law-abiding citizen should have the same rights to tools of defense, without further restrictions. Oregon already has background check systems. If you truly want to reduce crime and suicide in Oregon, turn your focus to criminals and the mentally ill, leaving the law-abiding citizen of sound mind to have their rights without further restrictions.
