Committee:

Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic:

SB1584

I support Senator David Brock Smith's Salmon Credit Bill SB 158. This excellent approach to salmon conservation and recovery is overdue, and completely deserves the support of the Oregon Legislature.

Salmon and Oregon are inseparable, and Oregon has already delayed far too long in funding salmon habitat recovery for rearing and adult survival. Please give this measure your unwavering support.

Salmon are vital to our economy and to our identity as Oregonians.
