

Submitter:	Maureen Lefere
On Behalf Of:	Children
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4145

Hello, thank you for allowing me to submit testimony supporting this bill. I support this bill as a healthcare provider who works with child victims of gun violence. I believe that the restrictions that this Bill provides will help deter and prevent perpetrators of domestic violence from obtaining a firearm. I believe this bill is important for protecting children, families and victims of domestic violence. Thank you for your time.
