House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I am expressing my opposition on this House Bill. This bill will do nothing to lower crime or gun violence.

Your wasting our tax dollars on worthless bills that do not align with legal gun owners' rights.

Enforce the laws we already have on the books.

For instance, the Incident in Moy of 2024 in Aumsville Oregon with Joseph Walley Blades.

Felon in possession of a weapon, firearm

Prohibited possession of a firearm, short-barreled shotgun

Possession of a stolen vehicle

Felon in possession of body armor

He was given the firearms back and is back out on the streets!

Let's pass some Legislation holding Judges accountable for their actions!!

Don't come after Legal Law-Abiding Gun Owners!!
