

Submitter:

Lynne Schauble

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I strongly support Measure 114 to require a permit to purchase a firearm as well as firearm training prior to purchase. I am a grandmother and want a safer world for my grandchild and all children. I am for sensible gun ownership where we all make a commitment to keep our children safe from gun violence. Please vote in favor of Measure 114! Thank you!
