HB4145

Please Vote "No" on 4145

Creating a Gun Registry is the wrong thing to do to protect freedom.

Registries have a history in empowering the tendencies of government to move toward tyranny. Please don't get along to go along on this one.

Consider the role "Individual Freedom" has played in our country's history. Then ask your self, is 4145 freedom, or is it something else.

thank you!
