Measure, Appointment or Topic:

HB4145

I oppose this ballot measure in its entirety on the grounds that it infringes upon my fundamental rights. This measure should not have even advanced to its current stage, and I urge you to uphold and defend the rights of those you represent.

Oregon's Constitution specifically states:

Article I, Section 20. Equality of privileges and immunities of citizens. No law shall be passed granting to any citizen or class of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens.
