Measure, Appointment or Topic:	HB4088

There is no question in my mind, and those of millions in this country, that there is a child developing from conception, to fetus, to birth of a child. Who of you with children would eliminate one of your children? The abortion providers are working to end life. I call it murder. What is happening in the abortion clinics is murder. Do you really want to be known for supporting that? Vote NO on HB 4088.
