

Submitter: George Spink  
On Behalf Of: HB4145  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB4145

As an Air Force Veteran and former Marion County Deputy (Res.), I do not agree with creating classes for citizens as to whom may or may not own certain types of firearms or accessories based on privileges granted by our State, Federal or local governments. House Bill 4145 is in direct conflict with the Bill of Rights (2nd Amendment) of the U.S. Constitution as Primary governance and the State of Oregon Secondary Governance.

"Furthermore, Oregon's Constitution specifically notes:

Section 20. Equality of privileges and immunities of citizens. No law shall be passed granting to any citizen or class of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens.", copied from OFF e-mail dated 02/01/2026.

I hope your Committee stands firm in protecting rights of Oregonians relating to this and any other bills that may come before you infringing on Oregonians Right to Bare Arms. Please submit this as Testimony in Opposition HB-4145

Sincerely,  
George Spink
